January 11, 2021

Dear Students,

It is with my deepest regrets and a heavy heart that I must inform you that Bureau of Proprietary School's Supervision ("BPSS") has taken the action of revoking the license necessary to operate Branford Hall Career Institute ("BHCI") in the state of New York. As a result of the revocation, BHCI has been forced to precipitously close the school.

It is our hope that the Bureau of Proprietary School's Supervision ("BPSS") will reconsider the revocation of our license to operate BHCI once our funding issue has been resolved. However, at this time Branford Hall Career Institute is prohibited from operating the campus. Additional information will be provided to the students, as soon as possible, regarding the status of our communications.

In regard to student accounts, Trigram will be in touch with students individually to lay out the options available to each student regarding any monies paid for their program. Additionally, students can request a copy of their transcripts from the corporate office of Trigram Education Partners at transcripts@trigramschools.com.

Sincerely,

Stanford Silverman
